

Have a Heart and Lend a Hand for the Homeless

Our Social Justice Cluster Committee: St. John Vianney, St. Mary of the Assumption and St. Bede the Venerable in Mentor will collect supplies to help Lake County's **Project Hope for the Homeless**. Please scan the wish-list of supplies that Project Hope needs to assist homeless people back into one of life's most basic needs: a home.

Drop wish-list items into the boxes in the gathering space between **this weekend through March 11**. Gift cards, stamps or monetary donations should be clearly labeled "Project Hope" and can be put in the Offertory collection basket in your "Poor and Needy" envelope during this time. Thank you for being God's Loving Hand to some of His most vulnerable people.
