

**Mini-Cleveland Tour  
With the SJV 50+ Club  
Monday, August 20, 2018**

Come join Fr. Tom Johns and the SJV 50+ Club on a fun visit to Cleveland! We'll start with 8:00 am. Mass at St. John Vianney, before our deluxe motorcoach takes us to The West Side Market in the heart of Ohio City. Our local guide from JKL TOURS will share the history of the original market from the 1840's and the current building from 1912. We'll have time to explore the European-style vendors in the main building and also the fruit, vegetable and flower stands in the surrounding building. We can even go to the Balcony area (off the clock tower stairs) for a unique picture taking opportunity. Feel free to bring a cooler to keep any purchases fresh!

After our visit, we'll enjoy lunch (included) at Sokolowski's University Inn! Their home-cooked items and HUGE portions make them a Cleveland classic. Plus, their Senior Bus lunch program allows everyone to choose the entrée and sides they want and no one leaves Sokolowski's hungry!

If time allows, we'll squeeze in a tour of the trendy Tremont area and visit St. John Cantius, a charming jewel box of a Church. We'll learn about its Polish heritage and also as a site where Pope John Paul visited during his Cleveland visit of 1969!

We hope you can join us on our initial outing, but space is limited so please make your reservation soon.
